USPS addresses of friends and  
family!

## Do Not Bring

radio, tape player, electronic  
games, phones or other similar  
electronic devices  
candy, gum or other food  
knives or firearms of any kind  
electric hair dryer  
motorized vehicles  
animals (except by special  
arrangement with director)  
money  
expensive/irreplaceable items  
(BCWS cannot be responsible for  
lost items)  
alcohol or illegal drugs\*\*

Please exercise prudence in determining whether expensive/irreplaceable items should come to camp with your child. Consider carefully before sending digital cameras of high value—for Junior campers we strongly recommend the cheapest possible! We ask that campers bring physical books rather than electronic readers (there is so much opportunity for water damage). Contact the director if you feel your situation warrants an exception. Although the campers are well supervised and we do maintain the dorms in good order, we CANNOT be responsible for lost items.

LABEL EVERYTHING.

### **Animals/Sports Equipment**

Animals and sports equipment belonging to campers will be handled/used only under the supervision of staff in designated areas. Personal sports equipment must be checked in with the dorm supervisor (you won't be likely to bring any).

### **Bedding**

Campers may not bring one sleeping bag for both dormitory and sleep-out use. Bed linens (sheets, pillow and case, blankets) may be rented from the center for \$30 per session. Please add this to your payment if you want this service.

### **Bookstore**

The center operates a bookstore where students may obtain stamps, stationery, field guides, and tee shirts. Children will not need money, as the charge (enough so that each child can select a variety of items) is included in the tuition. Please do not allow your child to bring money to the center, as it is entirely unnecessary.

**\*\* It is center policy that use or possession of alcohol or illegal drugs will result in immediate dismissal and forfeiture of tuition.**
