Do Not Bring

radio, tape player, electronic
games, phones or other similar
electronic devices
candy, gum or other food
hunting knife, firearms
electric hair dryer
motorized vehicles
animals (except by special
arrangement with director)
money
alcohol or illegal drugs**

Please exercise prudence in determining whether expensive/irreplaceable items should come to camp with your child. Consider carefully before sending digital cameras of high value. We ask that campers bring physical books rather than electronic readers (there is so much opportunity for water damage). Contact the director if you feel your situation warrants an exception. Although the campers are well supervised and we do maintain the dorms in good order, we CANNOT be responsible for lost items.

LABEL EVERYTHING.

Bedding

Campers may not bring one sleeping bag for both dormitory and sleep-out use. Bed linens (sheets, pillow and case, blankets, and a fresh change mid-session) may be rented from the center for \$50 per session. Please add this to your payment if you want this service.

Animals/Sports Equipment/Pocketknives

Animals and sports equipment belonging to campers will be handled/used only under the supervision of staff in designated areas. Personal sports equipment must be checked in with the dorm supervisor (you won't be likely to bring any).

Pocketknives may be used only by senior campers who have demonstrated skill and understanding of the rules to the satisfaction of a staff member.

Bookstore

The center operates a bookstore where students may obtain stamps, stationery, field guides, and tee shirts. Children will not need money, as the charge (enough so that each child can select a variety of items) is included in the tuition. Please do not allow your child to bring money to the center, as it is entirely unnecessary.

***Campers express skepticism about these items in summer, but we are serious in requiring them.**

**** It is center policy that use or possession of alcohol or illegal drugs will result in immediate dismissal and forfeiture of tuition.**
